

Tal Alon-Mozes
Curriculum Vitae
November 2010

Identity No. 054872858
Address: 9 Hairis St. Ganey Yehuda, 56905 Israel
Telephone: 972-3-5342611, 972-522-492970
E-mail: artal@technion.ac.il

Academic Degrees

- 2002 *Doctor of Philosophy*
Faculty of Architecture and Town Planning
Technion - Israel Institute of Technology, Haifa, Israel.
- 1995 *Master of Landscape Architecture*
Department of Landscape Architecture
University of California, Berkeley, U.S.A.
- 1986 *Bachelor Landscape Architecture (Cum Laude)*
Faculty of Architecture and Town Planning
Technion - Israel Institute of Technology, Haifa, Israel
- 1981 *Bachelor of Art (Cum Laude)*
Faculty of Humanities,
(Art History and Biology)
Hebrew University, Jerusalem, Israel.

Academic Appointments

Faculty of Architecture and Town Planning, Technion Israel Institute of Technology

- | | |
|-------------|--|
| 2010- | Associate Professor |
| 2007 – 2008 | Visiting scholar, university of Virginia, Charlottesville, VA U.S.A. |
| 2003 - 2010 | Senior Lecturer |
| 1996 - 2003 | Adjunct Lecturer |

Research Interests

Cultural landscapes, Landscape and National Identity, Cultural Dimensions of Sustainability, Landscape Architecture in Israel.

Professional Positions as Landscape Architect

- 1995-1997: Self employed Landscape Architect
- 1991-1993: Project Manager with Moria-Sekely Landscape Architecture,
Tel-Aviv, Israel.
- 1986-1991: Landscape Architect with Gideon Sarig, Landscape Architecture & Urban Planning, Ramat-Hasharon, Israel.

Teaching Experience

1995 to present Landscape Architecture and Architecture Programs, Faculty of Architecture and Town Planning, Technion - Israel Institute of Technology

Undergraduate Studies

History and Theory of Landscape Architecture

Introduction to landscape Architecture (204002, 204000), Fundamentals of landscape analysis, planning and design.

History of Landscape Architecture (204090), Landscapes and gardens from Antiquity to Renaissance.

History of Landscape Architecture (204091), Landscapes and gardens from the 17th Century to the modern era.

Landscape architecture in Israel, History of Israeli landscape architecture in relation to culture building.

Landscape and Culture (205201), introduction to LA for architects, basic themes, methods and projects.

Design Studio

Landscape Architecture Studio (204621), site design, concepts of space, mass and their incorporation into their surrounding.

Introduction to Planning Studio (205661), fundamentals of planning and design.

Landscape Architecture, Final Project (204606), supervisor of students.

Planting and construction studio

Planting Design 2 (204611), the use of plant material as a design element in the regional landscape

Construction Details 1 (204400), Earthworks and site construction.

Graduate Studies

Theory of contemporary landscape architecture (207900).

Community planning (297440), Fundamentals and strategies.

Scholarship and Awards

2007	Gutwirth Research Grant, Technion- Israel
2004, 2005, 2006	Joseph Levy Charitable Foundation Academic Lectureship in Architecture and Town Planning – England.
2004, 2008	Scott Oppler Endowment for New Scholars Travel Stipend, SAH, USA
2003	Gerhard Karplus Prize, Technion- Israel
1999	Gutwirth prize, Technion- Israel
1999	Permanent distinguished teaching assistant, Technion- Israel.
1997	Distinguished teaching assistant, Technion- Israel.
1994-1995	Regents' Fellowship, U.C. Berkeley.
1994-1995	Stanley M. Tasheira Scholarship, U.C. Berkeley.
1994-1995	Certificate of Merit, American Society of Landscape Architecture, U.C. Berkeley.
1987	Segal prize for final project: <i>Sculpture Garden in Tefen</i> , Technion- Israel.
1986	Graduate Cum Laude, Technion, Israel.
1983	Distinguished student, Technion, Israel.
1981	Graduate Cum Laude, Hebrew University of Jerusalem.

Professional Projects

1995-1997: **Self employed Landscape Architect**

Neighborhood planning and design: Urban revitalization projects: upgrading neglected industrial areas and uncared streets into commercial centers and lovely streets.

- Bilu, Commercial Center/ Detailed design.
- Bat Yam, Independence Boulevard/ Master Plan.
- Or Yehuda, Independence Boulevard/ Master Plan and detailed design.
- Kiriath Savionim, Instruction Center/ Detailed design.
-

1991-1993: **Project Manager with Moria-Sekely Landscape Architecture, Tel-Aviv, Israel.**

Regional Landscape planning and design:

- Mitzpe Masua, Recreation & Tourism center, Master plan/ Jewish National Fund. *A vision for a cultural landscape based on traditional agricultural patterns.*
- Road no. 65. Landscape reclamation/ Master plan for the Public Work Department, Ministry of Development and Housing. *Integrating up-scaled highway into its pastoral surrounding via earthworks and planting, emphasizing settlements and junctions along the road.*

Neighborhood planning and design:

- The nursery, Tel-Aviv/ 1200 units/ Design guidelines. *A model for high density housing project which facilitates its unique location.*
- Yahud, Schoolyards, pedestrian streets design and other various urban projects/ detailed design. *A large scale urban regeneration project for the whole town.*

1986-1991: **Landscape Architect with Gideon Sarig, Landscape Architecture & Urban Planning, Ramat-Hasharon, Israel.**

Regional Landscape planning and design: Regional scale projects which integrate agriculture, grazing, forestry, contemporary settlements, archeology, and environmental dilemmas. Planning and design on various levels; from comprehensive planning into detailed design.

- Gush-Alonim/ Master plan for rural landscape, Nature Reserve Authority & National Park Authority.
- Zippori/ Master plan for the national park, and detailed design/ National Park Authority.

Urban planning and design: Revitalization projects and new neighborhoods design.

- Arad, City square/ Detailed design.
- Givat-Savion, Community Park/ Detailed design.
- Bavli-Towers, Tel Aviv/ Preliminary master plan for neighborhood. *Landscaping the first tower neighborhood in Tel Aviv, (never materialized).*
- Bat-Yam, Main Street/ Detailed design.
- Yarkon Park, Adventure playground/ Detailed design.

Papers Presented at Conferences

International

- 2010 CELA 2010: Landscape Legacy: Annual Meeting of the Council of Educators in Landscape Architecture, Maastricht, the Netherlands, May 2010. Paper Presentation: Ariel Sharon Park and the Emergence of Israel's Environmentalism.
- 2009 2nd International conference of Landscape and urban horticulture, Bologna, Italy, June 2009. Paper presentation: Urban Agriculture in Israel: Between Civic Agriculture and Personal Empowerment. Abstract published in 2nd International conference of Landscape and urban horticulture, p. 144.
- 2008 IASTE, International Association for the Study of Traditional Environments, Oxford, England, December 2008. Paper presentation: Neot Kedumim: Celebrating Tradition in Israel's National Biblical Reserve. Abstract published in *Traditional Dwellings and Settlement Review*, Vol. 20(1):55.
- 2008 Annual Meeting of the Association of American Geographers, Boston, U.S.A. April 2008, Designing the Park, Charlottesville, VA, May 2008. Paper Presentation: "If paradise is in the Land of Israel, its entrance is at the gates of Beit Shean" (*Reish Lakish*), Israeli National Parks and the Search for National Identity.
- 2008 Society of Architectural Historians, Cincinnati, Ohio, Annual Meeting, April 2008, Paper Presentation: Botany, Nationalism and the Emergence of the Hebrew Garden. Abstract published in Society of Architectural Historians, Abstracts of Papers, p. 95.
- 2008 ECLAS 2008: European Council of Landscape Architecture Schools. Annual Meeting, Anlurp, Sweden, September 2008. Paper Presentation: History of landscape architecture, a new look at an old landscape. Abstract published in ECLAS ALNARP 2008, p. 71.
- 2007 Globalization and Landscape Architecture, St. Petersburg, Forest Technical Academy, Russia, June 2007. Paper Presentation: Between the Local and the Global: The International Competition for the Reclamation of the Hiriya Landfill. Abstract published in GaLa, Globalisation and Landscape Architecture, p. 2.

- 2006 Dumbarton Oaks Studies in Landscape Architecture symposium 2006: The Archeology of Garden Imagination, Huntington Gardens, Pasadena, California, May 2006. Paper Presentation: Son's Memorial Gardens and the Israeli Cultural Imagination.
- 2006 do.co.mo.mo. 2006: International committee for documentation and conservation of buildings, sites and neighborhoods of the modern movement, Ankara, Turkey, September 2006. Poster Presentation: Other Modernism: Garden Design in Tel Aviv-Palestine during the 1930s.-1940s. Abstract published in do.co.mo.mo "other Modernism", p. 93.
- 2006 ECLAS 2006: European Council of Landscape Architecture Schools. Annual Meeting, Bratislava, Slovakia, September 2006. Paper Presentation: The Meir Garden and the Emergence of the Hebrew Cultural Landscape.
- 2006 Symposium "Gardens and Parks in the Lives of the Jewish Population after 1933", Hanover, Germany, September 2006, Paper presentation: "Sunflowers, Passages from Berlin to Kiryat Gat": German Jews Landscapes and Gardens memories. Statement published in "Gardens and Parks in the Lives of the Jewish Population after 1933", pp. 4-6.
- 2005 CELA 2005: A Time for Place: Annual Meeting of the Council of Educators in Landscape Architecture, Georgia University, Athens, Georgia, September 2005. Paper Presentation: Between the Local and the Global: The International Competition for the Reclamation of the Hiriya Landfill. Abstract published in CELA 2005, p.123.
- 2004 "Nature Conservation and Democracy!?", Interdisciplinary workshop, Vorburg Drachenfels, Königswinter, Germany, November 2004. Paper Presentation: Seeds of Nature Conservation in Pre-State Israel: A Zionist Prospective. Statement published in Workshop "Nature Conservation and Democracy!?", pp. 13-15.
- 2004 ECLAS 2004 European Council of Landscape Architecture Schools. Annual Meeting, Oslo, Norway, September 2004. Paper Presentation: From reading the landscape to "writing" a garden: Using the text metaphor as a working design tool. Summary published in conference proceedings (pages not numbered).
- 2004 CELA 2004: Here or There? The Global and the Local. Annual Meeting of the Council of Educators in Landscape Architecture, Lincoln University, Canterbury, New Zealand June 2004. Paper Presentation: The Local and the Global: The Flora of the Israeli Garden.
- 2004 Society of Architectural Historians, Providence, Rhode Island, Annual Meeting, April 2004, Paper Presentation: Women and the Emerging Hebrew Garden in Palestine. Abstract published in Society of Architectural Historians, Abstract of Papers, p. 48.
- 2000 IAPS 16- Metropolis 21st Century: Which Perspectives? Cities, Social life and Sustainable Development, Paris 4th-7th July 2000. Paper Presentation: Landscape and Ideology: Vernacular Gardening Culture in Pre-State Israel. Abstract published in Abstract Resumes p. 64.
- 1999 EDRA- The Power of Imagination, Orlando, Florida, U.S.A. Paper Presentation: Reading Residential Vernacular Gardens in Pre-State Israel: A Model for Landscape Interpretation. Abstract published in Edra 30/1000, The Power of Imagination, p. 231.
- 1997 ECLAS Annual Meeting- Technion, Israel Institute of Technology, Haifa, Israel. Paper Presentation: Landscape of Immigrants: The Hmong in California, U.S.A. Abstract published in Conference proceedings ECLAS 1997, p. 57

Local

- 2010 Labor Dwellings 2010, Architectural Heritage Research Center, Technion, April 2010. Paper Presentation: Small Holdings, not just radishes.
- 2010 The Van Leer Jerusalem Institute, Environmental History group, March 2010. Paper presentation: Ariel Sharon Park and the Emergence of Israel's Environmentalism.

- 2009 Annual meeting of the Israeli Society of water resources, June 2009. Paper presentation: Runoff water as a resource for urban landscape. Summary published in Conference proceedings 2009, p. 7-11.
- 2009 Landscape Knowledge between production and representation, second research workshop. Paper presentation: Israeli National Parks, the homeland museum.
- 2009 Landscape in the White City and in Urban Heritage Sites, January 2009. Paper presentation: In the garden of Bialik, the national poet.
- 2008 90 Anniversary for Azaria Alon, November 2008. Paper presentation: Landscape Architecture and Agriculture: common seeds and diverging sprigs in the Israeli practice.
- 2007 Annual Meeting for Environmental Education, March 2007. Paper presentation: Developing Urban Agriculture in Israel.
- 2007 Israel Association of Planners, Annual Conference, March 2007. Paper presentation: Landscape Urbanism.
- 2006 Israel Society for Ecology and Environmental Quality Sciences, Annual Conference, June 2006. Paper presentation: Developing Urban Agriculture in Israel.
- 2005 Israel Society for Ecology and Environmental Quality Sciences, International Conference, June 2005. Poster presentation: Urban Agriculture in Israel – Challenges and Environmental Contributions.
- 2004 Israeli Landscapes. Dept. Of Geography, University of Tel Aviv, Feb. 2004. Paper Presentation: The hidden Landscape: Decorative and Utility Hebrew Gardens in Tel Aviv. Abstract published in Israeli Landscapes, Proceedings, p.66.
- 2002 Motar- Nature and Landscape in the Land of Israel, Artistic, Geographic and Literary Interpretations. Tel Aviv University, The Faculty of Arts, 12th-13th March 2002. Paper Presentation: Hebrew Vernacular Gardens in Pre- State Israel as a Text.
- 2002 Annual Conference of the Israeli Geographical Society. Beer Sheva, Dec. 2002
Paper Presentation: The Hebrew Vernacular Garden and the Local establishment of Tel Aviv Municipality: A Chapter in Culture Building.
- 1998 50 Years of Planning Thought in Israel: Theory and Practice, Technion, Israel Institute of Technology, Haifa, Israel. Paper Presentation: Shaping the Open Space: Creating Hebrew Residential Garden.

Invited Seminars and Lectures

- 2008 University of Virginia, Charlottesville, Jewish Studies, Program, Lecture: Between Rural Ethos and Urban Development: The Emergence of the First Hebrew Town in Modern Palestine.
- 2008 University of Virginia, Charlottesville, Landscape Architecture Department, lecture: Landscape architecture in Israel: Local practice in a Global Arena.
- 2006 Iowa State University, Ames, Landscape Architecture Department, Lecture: Landscape architecture in Israel: Local practice in a Global Arena.
- 2006 Cornell University, Ithaca, Landscape Architecture Department, Lecture: Landscape architecture in Israel: Local practice in a Global Arena.

Technion Activities

- 2005 (spring)- Chair, Program of Landscape Architecture.
- 2003 (fall)- Graduate Program Committee, Architecture and Town Planning.
Graduate Program Committee, City and Regional Planning.
Curriculum Committee, undergraduate program.
Entrance Exam Committee.
Prizes Committee.
Graduate program, Entrance Committee.
Landscape Architecture Committee.

Other Academic Activities

2010 Theses' reviewer; Tel Aviv University, Ben Gurion University.
Ph. D. Advising Committee member, Hebrew University.

Public Professional Activities

2010 Guest editor with Nurit Iisovsky, Landscape Architecture, the Magazine of the Israeli association of Landscape Architects, special issue: National Parks.

2008 Jury member, the best landscape architecture project of the year, for "Israeli Architecture" Magazine.

2006 Evaluation Report for ICOMOS: The Bahai Holy Places in Haifa and the Western Galilee, researchers: T. Alon-Mozes, R. Enis.

2004-2007 Ministry of the Interior, substitute member in the Committee for the Protection of Agricultural Lands and Open Spaces.

1998 - 2000 The Heschel Center for Environmental Learning and Leadership, Member of the Planners forum.

1998- IASLA, Israel Association of Landscape Architects, Board member, coordinating the publishing of the book "Dreaming Gardens, Landscape architecture and the Creation of Israel".

1995-1997 Master plan for Open Spaces in Israel, representative of SPNI (Society for the Protection of Nature, Israel) in the Advisory Committee.

Research Grants and Experience

2009 Ministry of Housing, research topic: "Aiming High, Building Low: The Florentine model of densification", researchers: T. Alon-Mozes, E. Silverman and I. Aravot.

2008 ISF- Israel Science Foundation, research topic: "The "Homeland Museum" - Designing the National Parks of Israel", researcher: T. Alon-Mozes

2006 Israel National Roads Company, research topic: "Development of Interchanges", researchers: P. Plaot, T. Alon-Mozes

2004 Nekudat Chen- For the Advancement of Landscape and Environmental Values in the Agricultural Areas of Israel, research topic: "Urban Agriculture in Israel", researchers: T. Alon-Mozes, L. Amdur

2003 Manlam, research topic: "Small Urban Farms in Palestine-Israel by the first half of the 20th Century", researchers: T. Alon-Mozes

2001+2002 Consecration of Fannie Balaban and Shlomo Blas Fund, Technion- Israel, research topic: "Hebrew Vernacular Gardens in Pre-State Israel: Text, Culture and Meaning."

1994-1995 Research assistant for Prof. Randy Hester, Department of Landscape Architecture, UC Berkeley. "The cultural sacred landscapes."

1985 Research Assistant for Prof. Achva Benzinberg-Stein, Department of Landscape Architecture, Technion, Institute of Technology, Haifa. "Roadsides Management and Planting."

1980-1981 Research Assistant for Prof. Menahem Rahat, Department of Zoology, Hebrew University, Jerusalem. "Hydra Cultures"

Graduate Students

Completed Theses

-Vardi, Liat. 2006, M.Sc., thesis: "Sanctifying Space in Netivot – From the Water Tower to the Babba Sally Grave". Supervisors: T. Alon-Mozes, H. Shadar.

-Hadad - Sela, Chen. 2007, M.Sc., thesis: "Integrating Measures for Urban Runoff Management in a Neighborhood Landscape Design". Supervisors: N. Carmon, T. Alon-Mozes.

-Gilad, Shirili. 2008, M.Sc. thesis: "Between Sustainability and consumption: The Public Space in Israel in the central area of Tel Aviv". Supervisor: T. Alon-Mozes.

-Feninger, Neta. 2009, M.Sc. thesis: "Kauffman, Geddes and the Urban Open Space, Planning and Ideology for Tel Aviv in the 1920's". Supervisor: T. Alon-Mozes.

-Peker Yair. 2010, M.Sc. Thesis: "The influence of plant diversity in urban areas on birds' diversity". Supervisors: Y. Yom Tov, Tel Aviv University, A. Barnea, Open University, Porter School of Environmental studies. T. Alon-Mozes.

-Baum Ruth, (started 2007) M.Sc. Thesis: "Nahariya and the garden city idea". Supervisors: T. Alon-Mozes, R. Enis.

Theses in progress

-Esakov Ben-Shitrit, Liat. (started 2008) M.Sc. thesis: "Aiming High, Building Low: The Florentine model of densification". Supervisors: T. Alon-Mozes, E. Silverman and I. Aravot.

-Maya, Matania. (started 2008) M.Sc. thesis: "Zippori National Park, landscape design and national identity". Supervisor: T. Alon-Mozes.

-Mendelshon Amit. (started 2009) M.Sc. Thesis: "Urban Wilderness". Supervisor: T. Alon-Mozes.

-Hildsheim Efrat. (started 2009) M.Sc. Thesis: "The influence of the Israeli environmental art of the 70' on the landscape architecture in Israel". Supervisors: Eran Neuman, Tel Aviv University, Porter School of Environmental studies. T. Alon-Mozes.

-Peled Juli, (started 2009) M.Sc. Thesis: Planning tools for "Urban Wild" Supervisors: Y. Yom Tov, Tel Aviv University, T. Alon-Mozes.

-Aharoni Tamar, (started 2010) M.Sc. Thesis: "Green roofs, global experience and local practice" Supervisors: T. Alon-Mozes, Elissa Rosenberg

Ph.D. Students

-Shirily Gilad, (started 2009) Doctor of Philosophy. Dissertation: "The landscape as a creator of a sustainable urban environment". Supervisor: T. Alon-Mozes.
